Dear Roger,

Re: Extra-Mural year Students

As the Extra-Mural Year Course Adviser, I would be grateful if you could let me know whether you would be interested in taking any of our BSc students for the session beginning August/September 2000 for one year.

If you are interested, please contact me as soon as possible, letting me know the likely number of students you require, so that I can forward some C.V.'s of interested students in late October.

I look forward to hearing from you at your earliest convenience and many thanks once again for supporting our extra-mural year programme.

With best regards,

Yours sincerely

Prof. C.P. Page
Extra-Mural Year Course Adviser
